THE HOUSE OF AL JOUHARI

Where structure meets *craft.*

Since 1999, Al Jouhari Technical Services has built across the Emirates: industrial floors, steel structures, waterproofing and fine finishing for some of the region's most demanding clients. Our residential collections bring that same discipline home.

Every trade sits under one roof, with one team accountable from the first site visit to the final handover. No chasing subcontractors, no gaps between scopes.

CHAPTER ONE

The *kitchens*

Modern, classic and wood-look designs: tall storage, islands and peninsulas, and lighting layered into the cabinetry.

07 designs

K01

KITCHENS · K01

Graphite

Clean-lined cabinetry with tall storage and integrated appliances. A pale worktop adds contrast to the deep grey palette.

- TALL CABINETRY
- CLEAN LINES
- LIGHT WORKTOP

K02

KITCHENS · K02

Soft *neutrals*

Warm beige and white cabinetry frame a central island. Veined surfaces create a continuous visual theme across the room.

- CENTRAL ISLAND
- TWO-TONE PALETTE
- VEINED SURFACES

K03

KITCHENS · K03

Gloss & *contrast*

Dark glossy fronts sit alongside open shelves and pale surfaces, creating a bold kitchen composition.

- GLOSSY FRONTS
- OPEN SHELVING
- BUILT-IN APPLIANCES

K04

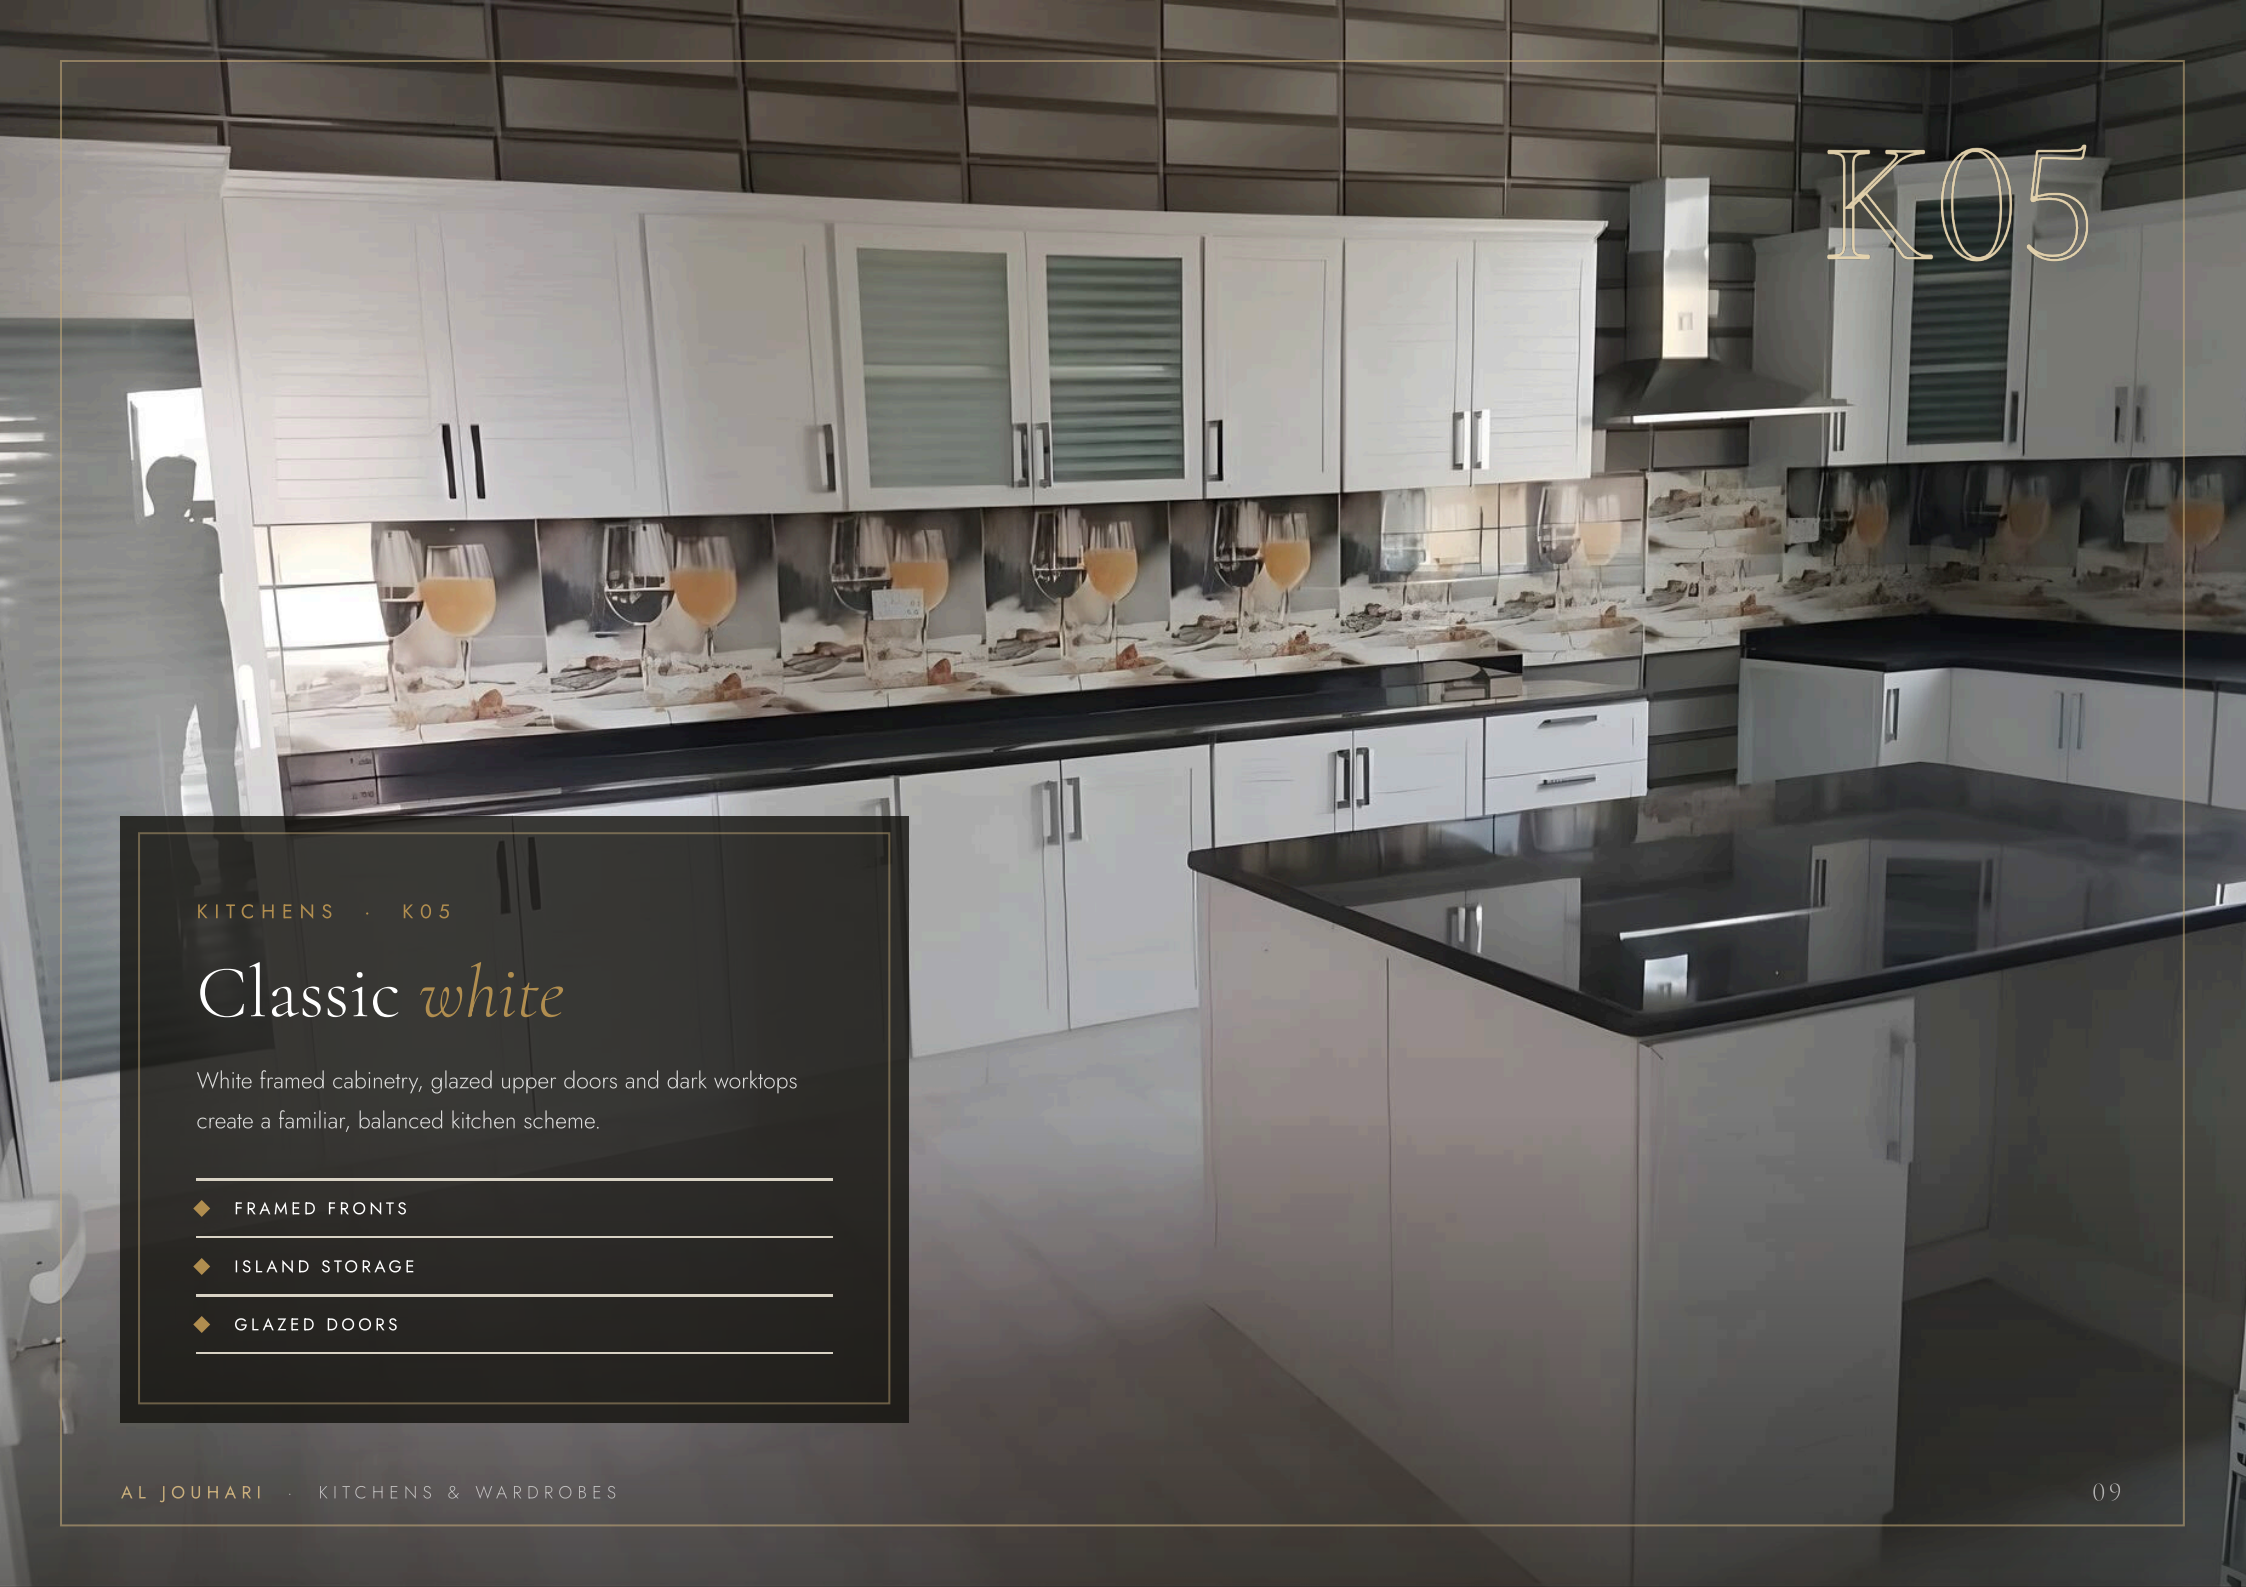

KITCHENS · K04

Warm wood *tones*

Wood-look cabinetry and a generous peninsula bring warmth and definition to an open kitchen setting.

- WOOD-LOOK FINISH
- PENINSULA
- OPEN SHELVING

K05

KITCHENS · K05

Classic *white*

White framed cabinetry, glazed upper doors and dark worktops create a familiar, balanced kitchen scheme.

- FRAMED FRONTS
- ISLAND STORAGE
- GLAZED DOORS

K06

KITCHENS · K06

Layers of *light*

Pale textured fronts are complemented by illuminated glazed cabinets, under-cabinet lighting and a glowing plinth line.

- GLAZED STORAGE
- TASK LIGHTING
- PLINTH LIGHTING

K07

KITCHENS · K07

Open-plan *elegance*

White panelled cabinetry and a dark peninsula worktop define a compact pantry within a bright, open interior.

- PANELLED FRONTS
- PENINSULA
- OPEN-PLAN SETTING
