THE RESIDENTIAL COLLECTION

SWIMMING POOLS

Design & Construction Catalogue

Contemporary pool concepts
Integrated children's areas
Illustrated construction stages

ENGLISH EDITION | 2026

AI-generated visual concepts

A complete visual collection

COLLECTION OVERVIEW

15 images. Nine design views. Six construction boards.

01 Design inspiration — 03-04
Two natural-light pool studies

02 Pool design collection — 05-09
Five designs, including two integrated children's areas

03 Construction gallery — 10-15
Six illustrated sequences, from excavation to completion

04 Outdoor living — 16-17
Pergolas, garden lounges and evening lighting

ABOUT THE IMAGES

Includes 13 AI-generated images and two supplied references; no completed-project claims.

Construction boards show selected milestones only; they are not technical or structural drawings.

Compact courtyard pool

DESIGN INSPIRATION / 01

Natural daylight / Residential setting / Concept visualization

DESIGN NOTE

A compact square pool with broad entry steps and a natural stone setting.

Contemporary garden pool

DESIGN INSPIRATION / 02

Natural daylight / Residential setting / Concept visualization

DESIGN NOTE

An elongated pool framed by pale paving and soft garden planting.

Family pool | Side zone

POOL DESIGN / 01

DESIGN NOTE

A shallow children's area integrated beside the main swimming zone.

Natural daylight / Residential setting / Concept visualization

Family pool | End zone

POOL DESIGN / 02

Natural daylight / Residential setting / Concept visualization

DESIGN NOTE

A rectangular pool with an integrated shallow children's area at one end.

The oval pool

POOL DESIGN / 03

Natural daylight / Residential setting / Concept visualization

DESIGN NOTE

A continuous curved outline with a generous stepped entry.

The freeform pool

POOL DESIGN / 04

Natural daylight / Residential setting / Concept visualization

DESIGN NOTE

A sculpted kidney-shaped pool with flowing edges and curved steps.

The square pool

POOL DESIGN / 05

Natural daylight / Residential setting / Concept visualization

DESIGN NOTE

A compact geometric layout with clean edges and corner entry steps.

Construction | Initial concept

GENERAL CONSTRUCTION STUDY

01
Excavation

02
Reinforcement & pipework rough-in

03
Concrete shell

04
Waterproofing

05
Tiling & coping

06
Filled & finished

Illustrative milestones. Testing, filtration equipment and commissioning are not fully shown.

Construction | Family side zone

Pergola pool courtyard

OUTDOOR LIVING / SUPPLIED REFERENCE

Supplied reference image / Evening ambience / Outdoor living

DESIGN NOTE

An intimate pool beneath a slatted pergola, beside a glazed lounge. Warm lighting defines planting and paved edges.

Poolside outdoor living

OUTDOOR LIVING / SUPPLIED REFERENCE

Supplied reference image / Evening ambience / Outdoor living

DESIGN NOTE

Layered seating, shaded terraces and integrated step lighting frame an inviting poolside setting.
